Mandatory Sexual Harassment Prevention Training for Supervisors and Managers

The State of California has mandated (under AB 1825) that each employer with fifty or more employees provide two hours of Sexual Harassment Prevention training to any current, newly hired or promoted supervisor, or management position, within six months of their appointment. Ensure your company maintains compliance by sending employees to this important training.

Dennis R. Murphy

916-446-2300 X3072

Dennis R. Murphy is a partner in the Labor and Employment Law Team. His experience commenced in 1972 and includes the representation of employers in every aspect of labor and employment law. It includes both trial and appellate advocacy and counseling. He has appeared before the United States Supreme Court, before many state and federal appellate courts, in numerous jury trials and before most of the governmental agencies that handle labor and employment issues. Additionally he has represented employers in every aspect of union-management issues. His clients include a professional sports organization, the state legislature, soft drink bottling companies, transportation companies, construction companies, universities and law schools, insurance brokers and others.
